

FUNDRAISING OPPORTUNITY (from a MD team)

We have found the easiest fundraiser ever for your group or club—no group orders, no distribution! All you do is forward a custom URL to your friends, neighbors, relatives, etc. and let them buy great Interstate Batteries. The batteries are priced comparably to store prices with FREE shipping. Your group gets 30% of the total sales per month. It doesn't get any easier.

Just go to this URL to get an application:

<http://www.techbrick.com/fundraiser>

From the site:

A Fundraiser You Can Love

If you're like me your kids are involved in clubs, groups, and teams. All of them need money. So you are presented with a stream of items to buy and gather and deliver.

A Simple Solution

With Team Green Fundraising's online battery sales you just sign up and in a few hours you'll have a custom website you just share with your parents, relatives, and school. All goods are shipped direct to your customers.

Why batteries?

Everyone buys batteries somewhere—for digital cameras, flashlights, portable media players, toys, you name it. Why not make it easier for them, and at the same time earn money for your club or group?

Just Sign Up Today

All you have to do is complete the quick signup form to the right. We'll get the rest of your information after you see your custom site.

Why sign up?

- . No money to collect.
- . No up-front payments or credit card information.
- . Get a custom website that we manage for you.
- . Just send out URLs for your battery store.
- . All merchandise shipped direct to the customer.
- . Collect commissions of 30% for online sales and 40% for traditional sales.

Interstate Batteries' fundraising program affirms Interstate Batteries' commitment to giving back to their customers, youth groups, churches, and communities. You'll have your own web site where your friends and family can order batteries online. Interstate Batteries are tested, trusted and outrageously dependable! Top of the line AA, AAA, C, D, and 9-volt batteries [*FYI...we will all need these for the game this year*] and many flashlight configurations as well as battery organizers stocked full with a tester built right into each. The batteries are competitively priced and for every dollar in sales that your team generates you get a 30%-40% commission. With shipping and tax included it's simply the easiest way for you to raise support for your team.

Teams can earn 30-40% on all sales!
